Staff News

We would like to welcome two new members to our team, Becca on Care and Jo on Housekeeping.

Meet the Staff

Abi Lockey– I have been working at Quinnell House for three & a half years. I started as Carer where I got to know all our Residents then moved to Activities in April 2017. I am currently completing my NAPA Training. At home I am a committed member of my church. Last year I got married and moved into my first home – so I am very busy both here with the Residents and at home. I like Arts & Crafts and have a keen interest in photography.

Also just a reminder we now have Skype – this is available for all our friends and family to use to contact our Residents.

If you feel that we have done well in a particular area or have any comment to make please feel free to review us on carehome.co.uk
